

2010-2011 BBA DEGREE PROGRAM (effective Fall 2010)

DEGREE REQUIREMENTS FOR BACHELOR OF BUSINESS ADMINISTRATION

UH & Bauer College policies (see UH Catalog for complete information and policies)

- **Daytime and Post-Baccalaureate Limitations:** The BBA is exclusively a daytime program for students seeking their first undergraduate degree. Post-Baccalaureate (PB) students are not permitted to pursue undergraduate business coursework and should consult an advisor for other options.
- **Max Transfer Hours:** A maximum of 66 lower-level transfer hours may be applied to the BBA from any other fully accredited institution of higher education.
- **TRANSFER EQUIVALENCY: Texas Common Course Numbering System (TCCNS):** The TCCNS is the categorization system used by the State of Texas to identify standard lower-level core curriculum among Texas public colleges and universities, regardless of institution. Using this system and our web resources at www.bauer.uh.edu/prospective can assist students in more easily determining transfer course equivalency for core. If a TCCN is not listed, this means that there is no Texas Common Core equivalency available, although petitioning is an option in some cases. Consult an advisor for more information.
- **Residency Requirements:** Last 30 hours of coursework towards a degree must be completed at the University of Houston-Main campus.
- **Enrollment in Upper-level (3000-4000 level) Business Courses except for MIS 3300:** Requires a degree plan on file or, for pre-business students, approval by an advisor to be in a mixed program (a one-semester transition prior to filing a degree plan).
- **Upper-level Business Course GPA:** A 2.0 GPA is required to take any 3000-4000 level business courses.
- **Degree Plan Filing:** Students should file for a degree plan as soon as they complete all the filing requirements listed below at: www.bauer.uh.edu/bbaadvising.
- **Non-business Course Limitation:** Non-business majors may not take 3000-4000 level business courses with the exception of MIS 3300; INTB 3351, 3352, 3353; ENTR 3310, 3312; and MARK 3337, unless they have officially declared a minor in business or they are in a specialty program and are taking courses specifically required for that minor or specialty program.
- **Business Minors:** Business majors and non-business students may pursue and declare business minors if certain requirements are met. Business majors eligible to file a degree plan can also declare any business minor except for Global Business and Business Administration. Non-business students may pursue and declare all available business minors if they meet specific GPA, prerequisite, and credit hour requirements. For complete information on these requirements and to access the online form, visit: www.bauer.uh.edu/undergraduate. Academic advising is not required to file.
- **Course Prerequisites:** See catalog for course prerequisites to avoid being dropped without refund (For business course prerequisites, see under "Courses" in the UH catalog online at: <http://www.uh.edu/academics/catalog>).
- **Additional Policies:** Students should be aware of enrollment caps, "6 W" rule, and the "three-peat" rule: www.uh.edu/provost/stu/stu.html.
