

How to Become a Registered Bauer Student Organization

It is recommended that students interested in forming a new student organization to affiliate with Bauer meet with Bauer's Program Manager for Student Undergraduate Organizations & Activities.

1

All new student organizations must first be registered with the UH Center for Student Involvement for two consecutive long semesters (Fall and Spring). It is recommended that students interested in forming a new student organization to affiliate with Bauer meet with Bauer's Program Manager for Student Undergraduate Organizations & Activities for information on the process.

2

Once an organization has successfully been established for a year, the organization will meet with the Bauer Student Organization committee comprised of college staff, Program Manager, Director, and a Representative of the Dean's Office for an initial proposal and review.

3

If the committee decides the student organization can move forward, the student organization will present at a Bauer Leaders' Council meeting and provide an opportunity for questions from the organizations at Bauer to provide their input to the Bauer Student Organization Committee.

4

Solicit recommendations from meeting along with recommendations from college staff.

5

Send to Dean for approval.

If you have any questions, please reach out to the Program Manager for Student Organization and Activities:
